

“

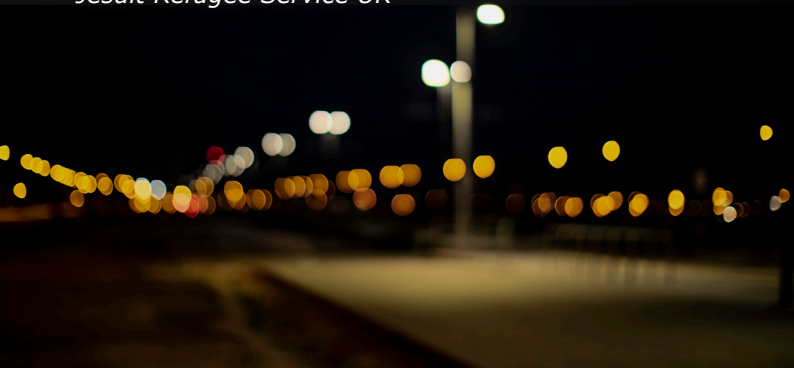

I sought safety in this country but then I was made homeless. In the last years I have stayed in 15 or 16 places, and I have slept on the streets.

Homelessness made me lose my self esteem and confidence. When you don't have a place to lay your head, then you cannot think straight.

Everyone needs somewhere to rest and feel safe.

The asylum system shouldn't make people homeless the way it has made me homeless.
Things need to change.”

Joyce, a refugee friend supported by the Jesuit Refugee Service UK

“

Do not forget to show hospitality to strangers, for by so doing some people have welcomed angels without knowing it.

Lord Jesus

**Give us wisdom as we advocate for others,
for in defending the downtrodden
we hear your voice speak up for us.**
